FROM THE PASTOR – THE SACRED HEART DEVOTION: THE PROMISES

We continue looking at the Sacred Heart devotion this week by looking into the various promises of this devotion. In revealing His desire for souls to draw close to Him, our Lord gave to St. Margaret Mary Alacoque (the recipient of this private revelation) a number of promises for those who follow through with the demanded devotional actions (more on that next week). These promises are meant to be the fruits or benefits which derive from practicing this devotion. The Lord told St. Margaret Mary these promises:

- (1) I will give them all the graces necessary in their state of life.
- (2) I will establish peace in their homes.
- (3) I will comfort them in all their afflictions.
- (4) I will be their secure refuge during life, and above all, in death.
- (5) I will bestow abundant blessings upon all their undertakings.
- (6) Sinners will find in my Heart the source and infinite ocean of mercy.
- (7) Lukewarm souls shall become fervent.
- (8) Fervent souls shall quickly mount to high perfection.
- (9) I will bless every place in which an image of my Heart is exposed and honored.
- (10) I will give to priests the gift of touching the most hardened hearts.
- (11) Those who shall promote this devotion shall have their names written in my Heart.
- (12) I promise you in the excessive mercy of my Heart that my all-powerful love will grant to all those who receive Holy Communion on the First Fridays in nine consecutive months the grace of final perseverance; they shall not die in my disgrace, nor without receiving their sacraments. My divine Heart shall be their safe refuge in this last moment.

These promises are not a free ticket for our own pleasure, but are the fruits of our sanctification and union with Jesus Christ through His Sacred Heart. Next week, we shall see what it is Jesus asked us to do in practicing this devotion. For now, let us desire Christ as He desires us. Let us seek refuge in His Sacred Heart now so that we may rest there forever.

Fr. Jacob Straub
