Since we are unsure who will feel comfortable coming back to church at this time, we will not list the Lectors in the bulletin but will ask the prior week who is willing to read the following week. Once we can openly attend church, we will again have a schedule.

Your can read the bulletin on our website

The bulletins are posted at www.stmatthewskenton.org. Our Mass will be online at 7:30AM. Just go to the website and click 'Fr. Augustine's Sunday Mass' at the very top of the page.

MASSES TO RESUME-WITHIN GUIDELINES

See guidelines on the last page of the bulletin. It is very important that you do not attend Mass if you are sick, have a fever, have been exposed to anyone with COVID-19, or if you feel your health is in any way endangered by being around other people. The Bishop wants you to know that the dispensation from your Sunday obligation to attend Mass is still in effect if you feel compromised in

Wedding Anniversary Vespers

The Diocese has Vespers for milestone wedding anniversaries each year at the Cathedral. This year's will be on September 27. We need to send in everyone who is having the following anniversaries so the Bishop can send out a congratulatory certificate and invite the couples to the Cathedral to be recognized. Unfortunately, when St. Matthew's database was created, the wedding dates were not entered for existing parishioners. Please let Linda Fryman know your wedding date and place of the ceremony as soon as you can. You can call and leave a message (859-240-2377) or email (frymanlinda@gmail.com). Thanks!

Additional Thank You to All Involved with Basement Flood

Last week, we forgot to mention two additional helpers in the basement cleaning...Brody Baker and Ethan Thorwarth. Thank you both for coming with your fathers and helping clean. Sorry for leaving you out of last week's 'thank you'.

Thank You to BJ Fryman for Recording Mass

Those of you who have been watching the weekly Mass from St. Matthew on Youtube know how well done they have been and appreciate the fact that we can watch our 'own' Mass each week instead of someone else's. Thank you to BJ Fryman for using his time and talent in making this possible. The editing process takes him around four hours so it is a time consuming project. If you see BJ, let him know we appreciate his work.

Only One More Weekend for Fr. Augustine

Sadly, we will only have one more weekend with Fr. Augustine after this weekend. When you see him let him know how much we have appreciated having him with us for this past year. We have learned much especially about the Bible. Unfortunately, we cannot have our usual going away meal as we have done in the past but we can all make him aware of how much we enjoyed having him, how much we will miss him, and thank him for being a great pastor to us.

CCD Parents

You will receive an email from Rosanne Rawe with guidelines on what knowledge is expected from each grade. Parents, please go over the material with your child/children. Children will be advanced to the next grade and start fresh in August. (We hope). Please respond to Rosanne and let her know you received the email.

VERY IMPORTANT!

Please do not forget to mail or drop off your weekly offering for our collection. As most everyone knows, we operate on a very close budget so your weekly gifts are very important. Unfortunately, the bills continue to come in during this time. Your help is greatly appreciated. The mailing address is on the front page of the bulletin. Thank you so much. Dear Parishioners,

The Bishop has agreed to allow us to hold Masses again effective on Wednesday, May 20. There are, however, some rules to which we must adhere to comply with social distancing guidelines.

It is important to remember that if you are sick (not only with the possibility of Corona), please do not come to Mass. The dispensation is still effective for missing Sunday Mass obligation for being sick or being a person who has a high possibility of catching an illness.

We are asked to not gather outside or just inside of church to visit.

Father cannot greet people when they enter or when they leave church.

You will be assisted by an usher to find a seat which will be six feet from other parishioners. Families may sit together in the same pew. There will be tape on the pew noting which end to sit.

There will be no singing because it is believed to raise the possibility of spreading the virus. Books and the Response Cards will not be in the pews. You will have papers with the responses on them as well as the day's readings. You are to take these with you. Do not leave them in the pew after you have used them.

There is to only be one person at a time in the bathrooms.

Please try not to touch any surface that is not necessary. Doors will be propped open so you will not have to touch them.

If you have access to a mask, you are asked to wear it if you feel comfortable doing so.

Ushers will let each know when they may go forward for Communion beginning in the back. Please turn left and go through the hallway to return to your pew.

There will be no gifts brought up. Father will be wearing a mask when distributing Communion. If you are wearing a mask you remove it when taking Communion. **Receiving will be in hand only.** There will be no servers used.

There will be a basket at the back of church for you to drop your contributions into. Collection will not be taken up during Mass to lessen traffic in the center aisle.

Father will enter and exit the sanctuary from the side.

We need volunteers to stay after Mass and help disinfect the pews, bathrooms, door handles, etc.

These are trying and different times. Let us be grateful that we may once again receive Our Lord even if we must adhere to some very unfamiliar rules to do so.

God Bless and Keep You,
